## Summary

**Passionate game developer with 5+ years of professional experience** creating engaging gameplay systems and polished player experiences across multiple platforms. Specialized in Unity and Unreal Engine with strong expertise in C#, C++, and game design principles. Proven ability to collaborate effectively with cross-functional teams including designers, artists, and QA to deliver high-quality games on time and within scope.

## Education

**University of Washington** Bachelor of Science • 3.6 GPA  
Computer Science Seattle, WA • 2014 - 2018  
Concentration in Game Development. Relevant Coursework: Game Engine Architecture, Computer Graphics, Artificial Intelligence, Physics Simulation, 3D Mathematics, Software Engineering, Data Structures & Algorithms

## Experience

**Cascade Studios** Seattle, WA  
Senior Game Developer March 2022 - Present

- Lead gameplay programmer on an unannounced AAA action-adventure title built in Unreal Engine 5 for PC and next-gen consoles
- Architected and implemented core combat system including hit detection, combo mechanics, and enemy AI behavior trees serving 15+ enemy types
- Developed custom editor tools in C++ that reduced level designer iteration time by 40% and improved workflow efficiency across the team
- Optimized rendering pipeline and gameplay systems to maintain 60 FPS performance target on all supported platforms, achieving 95% frame rate stability
- Ad nostrud enim adipisicing ea proident aliquam veniam nisi amet ea irure et mollit.

## Profiles

**GitHub**  
[dkowalski-dev](https://github.com/dkowalski-dev)

**LinkedIn**  
[davidkowalski](https://www.linkedin.com/in/davidkowalski)

## Skills

**Unity Engine**  
Expert  
C#, Editor Tools, Performance Profiling  
☆☆☆☆☆

**Unreal Engine**  
Advanced  
C++, Blueprints, UE5 Features  
☆☆☆☆☆

 **Programming Languages**

Expert

C#, C++, Python, HLSL/GLSL

 **Game AI**

Advanced

Behavior Trees, FSM, Pathfinding, Navigation

 **Physics & Mathematics**

Advanced

3D Math, Collision Detection, Rigid Body Dynamics

 Experience
